

Rudds Creek Marina

Winterizing Letter

Dear Rudds Creek Marina Customer,

Thank you for your business this season and we hope that you enjoyed boating on beautiful Buggs Island Lake this year. Hopefully we can still enjoy some beautiful fall weather on the lake.

Enclosed is our fall/winter schedule and winterization form.

Winterizing Information:

Feel free to call or email us if you have any questions about our winterization services or completing the form!

****Please return the winterization form as soon as possible so that we can schedule the many boats that we have to winterize, even if you do not want your boat winterized now.***

****We would like to have all inboard engine boats winterized before Thanksgiving because of the threat of a freeze while we are closed, and to avoid a last minute rush. We will start to winterize any boats now that will not be used any more this season.***

****Winterization includes changing the lower unit oil, stabilizing the fuel, greasing the fittings, fogging the cylinders & filling or coating the cylinders where applicable, and disabling the battery. Engine oil and filter change is not included in winterization but can be done at that time or in the spring.***

****Water system winterization, engine oil/filter changes and other service work is billed at the hourly rate of \$85 an hour and cleaning at \$40 an hour. We can provide an estimate for any extra service work or cleaning if you call or email Catherine at info@ruddscreekmarina.com or #434-738-7655. Battery switch installation is \$125 and fuel/water filter installation is \$125.***

****We will invoice you or charge your credit card for any additional service work.***

****Additional fees may apply for larger and twin engine boats at the docks.***

****Additional fees may also apply if we have to hunt for your keys.***

****Cleaning options (including pressure washing pontoons, hulls and engines, washing the interior and exterior, treating the seats and vinyl with 303 Protectant and adding dehumidifying pots under the cover) are available at the time of winterization. (Quotes are available in advance.)***

****This letter and the winterizing form are also available on line at www.ruddscreekmarina.com on the tenant page.***

Wishing you and your family a wonderful winter and holiday season.
